We have been the offshoots of a fertile existence and you have been our mirror. In you we have seen truth, beauty, enthusiasm and we have learned to cherish them.

FOREWORD

How much can one grow in four years?
One can and does grow infinitely.

We, the seniors of Westwood High School, have grown intellectually, socially, and morally. The values we now hold are different from those we held as freshmen. As we look back on the last four years, we remember and sometimes forget the thousands of incidents which have contributed to our growth. This mirror of images forms not only a remembrance of the past but foretells the future; for our graduation from high school is but a step toward a future which promises still greater development.

CONTENTS

CURRICULUM 12-13

Future achievements depend upon the understanding gained by the students from their teachers and through the curriculum.

SENIORS 26-27

UNDERGRADUATES . . 74-75

From the freshman to the senior class, the students, the people who walk our corridors, study, participate, and compete dominate our high school scene.

ACTIVITIES 84-85

The students participating in the extra-curricular activities offered at Westwood High make positive contributions to the school while developing their own talents.

ATHLETICS 104-105

Competitive experiences gained from participation in sports, whether on field, track, or court, take us a long way to maturity.

ADVERTISEMENTS 117

The generous contributions of the merchants and businessmen of our community make possible the publication of our yearbook.

You have reflected the light
light within and without.

We have seen
this light, and
we will hold it.
For it has directed
us toward fulfillment.

21

Activities present a broader view of high school life

You, as our mirror, have taught us
to recognize ourselves.
For this enlightenment we thank you.

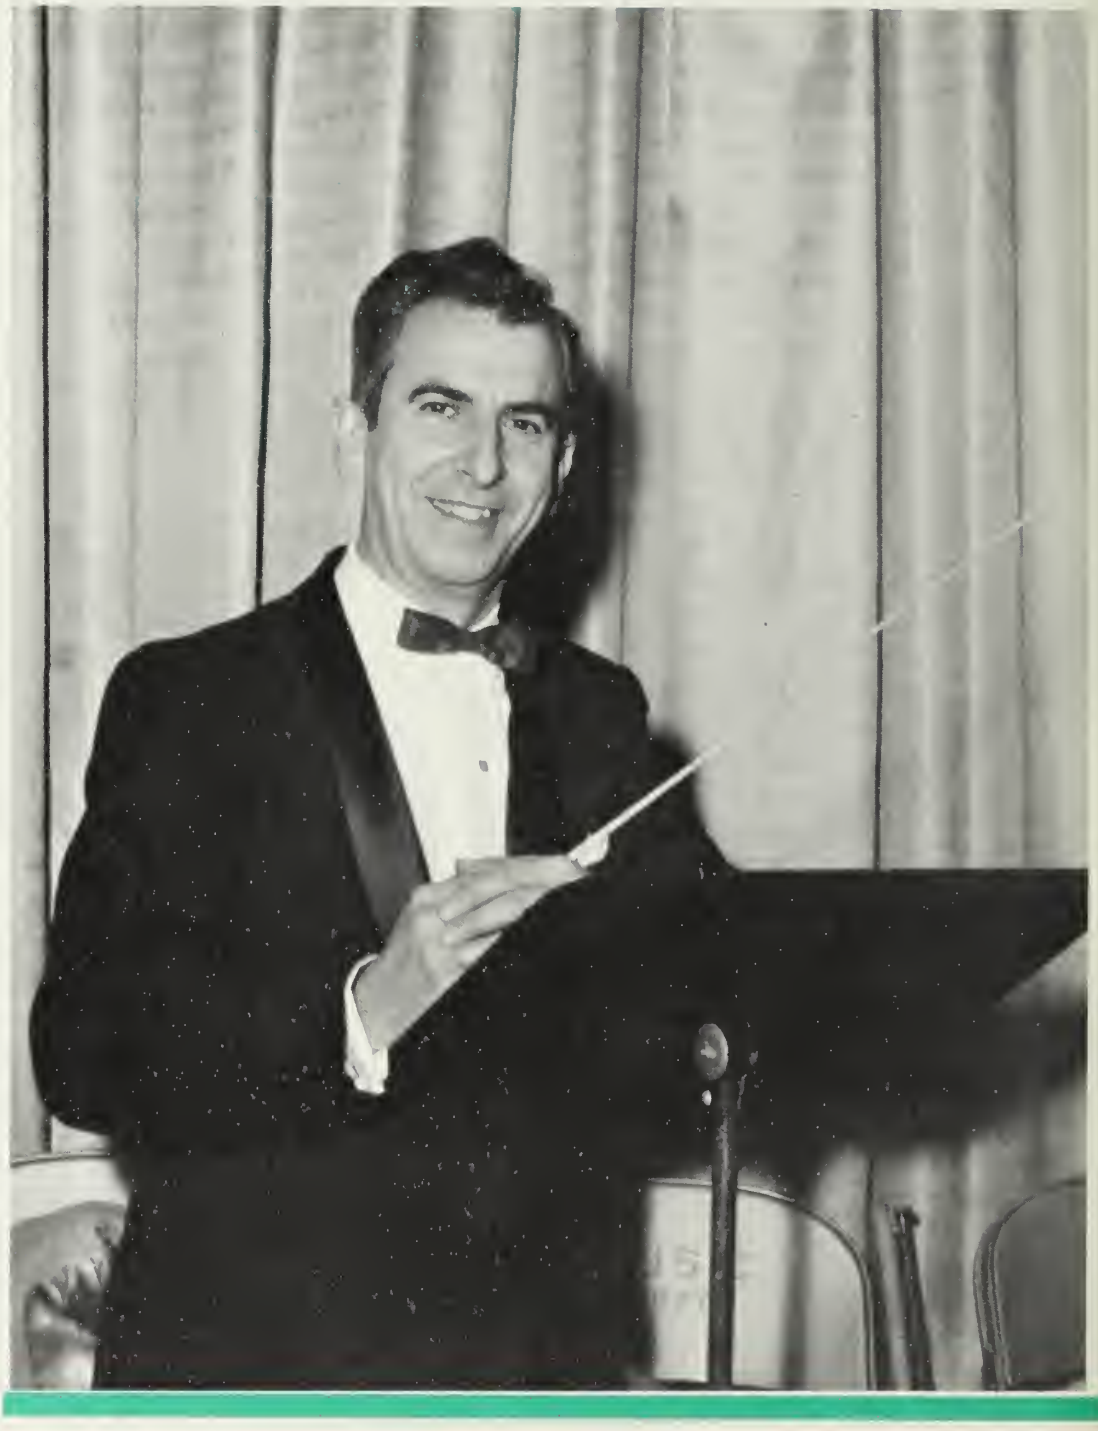

You have been no mere flashing
reflection of ourselves:
growing
stretching
questing
and stumbling, and
trying once again—
But instead a constant reflection
Through times light and dark—no
clouded mirror—
Always with clarity, reality
a reflection of faults,
strengths
thoughts
and ambitions.
No more than what we are are you.
But we have been so much
and You have reflected
this.

—Deborah Systrom—

Dedicated to . . .

Talented, Devoted, Teacher.

MR. JOHN MARKARIAN

We, the class of 1968, dedicate our yearbook to one who has been not only a fine teacher but also a sincere friend— Mr. Markarian.

You have taught us to appreciate the beauty of music.

You have helped us to develop our talents.

You have given us music that has been enjoyed not only by our school but also the entire community.

More than this, you have been a friend; a friend who has been helpful, patient, dedicated, through long hours of rehearsals and fulfilling moments of success.

For all that you have done for us and our school, we sincerely thank you.

Alan Hatcher
May 14, 1950 – May 30, 1967

He's gone.
I do not understand.

And waved his hand
In his young eyes a sudden glory shone,
And I was dazzled by a sunset glow–
And He was gone.

Seniors review the past four

CLASS HISTORY

September 1964

Dear Diary,

After an incredibly long wait we're finally at Westwood High. In the transition we are no longer the "upper classmen" but lowly freshmen. With the aid of the computer we have seemingly lost our names. As we show up for classes thirty minutes late our old self-confidence fades. How can we make our class the best ever when we can't even find the New Wing?

February 1965

Dear Diary,

Now that we've been given several months to adjust to life as a high school freshman we are eligible to elect class officers. Putting our trust in the superior executive capablities of women we promptly elected Chris DeAngelis–President, Judy Hancox –Vice President, Mimi Pruyn–Secretary, and Roseanne Clark–Treasurer. Having accomplished this we turned to the problem of finances. To fill our empty coffers we staged a Valentine Dance "Love Potion." With this activity over we once again had to settle back to the same, dull routine–study.

April 1966

Dear Diary,

In becoming Sophomores we've regained more than our share of confidence. We also seem to have licked all of our major problems except one–the computer. But after getting all the girls out of industrial arts and the boys out of the girls' gym we were on an even keel. This is the year of disecting frogs before lunch and becoming semi-finalists in the Tech Tourney. We ran a dance and had a dues drive to earn money for next year's prom. But since it's so far away, why worry about it now?

years

Secretary and Roseanne Clark–elected Treasurer, for the fourth time have reported that there is a shortage of funds in our treasury. But then there's the greater problem of applications, financial aid forms-in short what to do and where to go next year. Our impossible dream temporarily seems to be a night mare.

June 1968

Dear Diary,

With the college applications, job hunting and plans for the future finally completed, there seems to be little else left to do. We've made it through good old WHS. In the process we've matured greatly, met new people and seen old friends leave. We've created scholars, musicians, plays and sports teams. There is so little time remaining that we appreciate our high school more than ever. Shortly we'll graduate and be more or less on our own. Our years here might seem quite similar to those of other classes–but to us they have been unique because we were the ones who lives through them.

June 1967

Dear Diary,

The major event of our Junior year is the prom. All events seemed to lead up to it, including our "successful" dances. Under the direction of Mr. Baker, our class officers, and our prom chairmen, Dana Stevens, Debbie Gill, and Judy Hart, and after weeks of "hard work" we managed to transform the drab gym into a romantic African Paradise–Karamaya (Quite a feat, huh?) After recovering from the after effects of the prom we elected senior class officers and chose our year book photographer. In doing so we acquired an "unofficial" case of Senioritis.

September 1967

Dear Diary.

Our impossible dream has come true-we're officially seniors. Now we can have the "honor" of marching into assemblies. We also have a new addition to our class-a bouncy A. F. Ser from Germany, Walter Wolf. However, our problems are far from over. Our officers, Haywood Davis–President for the third year in a row, Carol Fraser–Vice President, Mimi Pryun–

KARAMAYA

An Island of tropical splendor, an evening of enchantment.

On May 19, 1967 the Class of 1968 presented their Junior-Senior Prom entitled "Karamaya", host Village. The school gymnasium was miraculously transformed into an African paradise.

THE ROYAL COURT

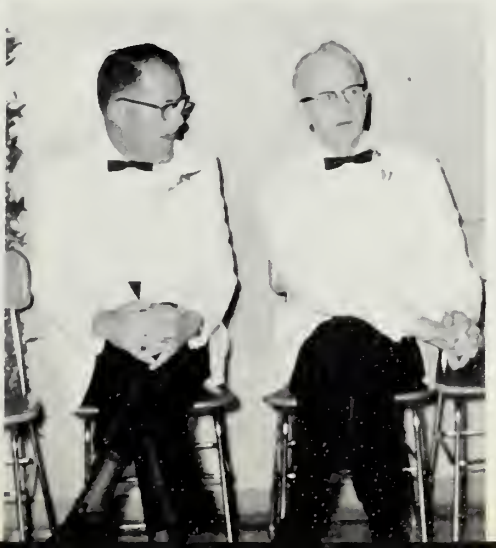

Barbara Pruyn is crowned queen of Karamaya

After crossing the flower bedecked bridge you found yourself in a dreamy atmosphere created by innumerable tropical flowers, breath-taking murals, a sparkling waterfall and enchanting music provided by Mr. Monaghan's talented orchestra.

The entire evening could not have been possible without the advice of Mr. Baker and the hard working co-chairmen Debi Gill, Judy Hart and Dana Stevens and the entire class.

Seniors score smash in Wilder's

Senior Class Play

Despite several major set-backs such as having to change the play after auditions and a bad case of laryngitis for the leading lady, the Senior Class Play, Thornton Wilder's "By the Skin of our Teeth" was a tremendous success. The audience enjoyed the antics of "Mamoth" Lynn Hochanadel and "Dinosaur" Tina Concree as well as the superior acting of Barbara Campagna, Joanne Marinelli, Glenn Walker, Robert Nicoll, and Virginia Farley. The entire cast appreciated the good humor, encouragement, and advice given by the director, Miss Shea.

The National Honor Society, a group consisting of all juniors and seniors whose marks during their high school years average a straight B or better, enjoyed a year of academic and social activities. At the first meeting the following officers were elected: Peter D. Johnson, president; Leslie Harding, vice-president; Belinda Bothwick, secretary; and Karen Viola, treasurer. Plans were made for the induction of the new junior and senior members. This induction ceremony took place in February, and was highlighted by a speech on knowledge given by the president, followed by four short speeches, given by Leslie Harding, Rodney Bond, Carol Koch, and Ann Wheeler respectively, on the four basic goals of N.H.S. member—scholarship, leadership, character, and service. Following these speeches, pins were presented to the new members.

Included among this year's activities were the following: tutoring students, a book fair, and presenting a variety show following the Faculty Student banquet in late May.

An enthusiastic crowd of Westwoodites attended the 17th Annual Science Fair held on Friday evening, March 15th.

A panel of distinguished judges evaluated the numerous projects displayed by the students of biology, general sciences, chemistry and physics. The success of the fair was due to the enormous preparation of the entire student body and the faculty members of the Science Department. The cooperation of the entire community also contributed to the popularity of this annual event.

Conservation-ists form new club

Under the leadership of Mr. Case and Mr. Thwing, the Conservation Club has performed many services useful to the community. This year it has offered a gun safety course plus films and guest speakers from the Department of Natural Resources. President George Butler has led the club in erecting signs encouraging conservation and in the vitally important project of cleaning up the Baker Conservation area. Thus the club not only educates its members to the problems of conservation, but also provides vitally needed community services.

Spanish Club

The purpose of the Spanish Club, under the guidance of Miss Maguire, is to further students' knowledge of Spanish customs and traditions and to promote interest in Spanish life. Through activities such as a homecooked Spanish dinner, an outing to see Antonio and the Ballet de Madrid, and having guest speakers, we feel that our goal has been fulfilled.

Officers in the Spanish Club this year are Barbra Campagna, president and Judy Hancox, vice-president.

French Club

A dedicated group of Francophiles, the French Club has incorporated its love of the French lauguage and culture into its program of activities. The Christmas party, now an annual event, is carried on in the French manner. The Club has also seen several films in the original French and has made several trips to museums, notably the Museum of Fine Arts, to heighten its appreciation of French art at its finest.

Officers in the French Club this year are Donna Gavin, President, Carol Ayres, Vice President, Stephanie Long, Treasurer, Cathy Conard, Secretary.

F.T.A.

The Future Teacher's Club, under the supervision of Mrs. Fairbanks, had a profitable year discussing opportunities available in the teaching field. Several teachers' colleges were examined and various methods of teaching were studied. The club has done much to prepare interested students for the field of education.

Westwood High's expanding outlook is evidenced in the formation of the Computer Club. Under the leadership of Mr. Pender, the club has carried out its aim of familiarizing all its members with the computer. The activities of the club include field trips and a computer dance for the Band Exchange Concert.

The cheerleaders, under the leadership of Kris Pearson and Janet Wallace, and the guidance of Mrs. Bergen, have done an outstanding job this year. They have performed with great spirit, a spirit that has spread to both spectators and teams alike. Further proof of the cheerleaders' skill was their fine performance at the cheering competition at A cton-Boxboro on March 16. We thank the cheerleaders for their enthusiasm that urged our teams on to victory.

W.H.S. Band and Orchestra bring credit to director

BAND

The band, under Mr. Markarian's able direction, again delighted audiences this year with its order and skill. Practicing many hours to perfect both music and intricate routines, the band met Mr. Markarian's high standards in its performances at football games, at the exchange concert in Keene, New Hampshire and at the Southeastern District Music Festival in Bridgewater. The outstanding skill of many members was demonstrated at the District and All-State Concerts.

ORCHESTRA

The orchestra has performed this year with its usual display of fine talent. The orchestra has performed at several assemblies, and the Southeastern District Music Festival, with the highlight of the season the Orchestra and Band Concert on March 7. Again Mr. Markarian is to be thanked for his outstanding direction of the Orchestra.

Vocal and instrumental talents encouraged

Westwood High School is very proud of its selective musical groups. In the instrumental field there is the Dance Band which plays modern arrangements, many of which are composed by its director, Mr. Paul Monaghan.

Talented vocal groups include the Girls' and Boys' Glee Clubs. These groups, in addition to singing at the Christmas and Spring concerts, compete at the annual Southeastern District Musical Festival. Finally, there is the Double Quartet whose members perform at town and regional activities.

The Color Guard was truly outstanding this year due to the intricacy of its routines. Captain Chris Brown is to be credited for the imaginative and unusual routines that helped to make the Color Guard a more important part of the traditional half-time routines.

"You'll do it until you do it right" is the plea of the drill team's captain, Ann Wheeler. All the practice paid off and the girls added much color to each half-time show by performing intricate routines and dances each week.

ATHLETICS

Westwood High . . .

. . . believes in developing strong bodies as well as active minds. The school encourages intramural as well as competitive sports. Participating students learn the discipline of teamwork, the satisfaction of victory and the sportsmanship of defeat. The sports program draws crowds for all events and has widespread support throughout the town as well as the school.

Individual performances shine during disappointing season

Despite a poor record, this year's team showed a lot of hustle and potential. After defeating Lynnfield in the first game, the Wolverines remained winless until Thanksgiving, when they defeated Milford 12-8 on a mud-soaked field. Many of the team's losses were by less than one touchdown. Had the team got a few more breaks, the record would have been much better.

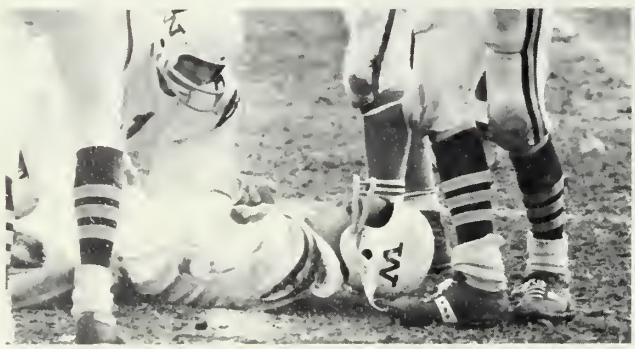

The Co-Captains of the team were Darrell Benson, Haywood Davis, Ken Coleman, and David Vantine, all of whom did fine jobs all year. David Vantine also became the school's third leading ground gainer with a total of nearly 900 yards.

Time out!

The Wolverine's compiled an 18-2 record to finish in a three-way tie for first place in the Dual County League and qualify for the Tech Tourney for the eighth consecutive year. Under Mr. Thwing's excellent coaching, the team continued in the winning tradition that has become part of Westwood High School basketball.

This year's team was led by the fine play making of Captain Ron Hough and clutch scoring performances by seniors Ken Coleman and Ed Luippold and juniors Steve Mitchell and John Morrison.

In the Tech Tourney, Westwood won its first game 80-71 over Weston but dropped a quarter final game to Dover-Sherbourne by the narrow margin of 69-62.

The JV's had a seventeen and three record to take first place in their league.

Led by Captain Brad Cook and Assistants Hollis and White, this year's hockey team had its first winning season in four years. The records of 7-6-1 was good enough to place the team fourth in the aggressive Dual County League. Hustle, desire and the fine coaching of Mr. Case and Mr. Tripp helped to make the season a success.

Individual honors went to Brad Cook and Mike Duquette who were named to the league's All-Star Team.

Fine records for Track . . .

This year's winter track team, under the fine guidance of Mr. Flaherty, had a record of three wins and four losses. Captains of this year's squad were Keith Hatfield and Haywood Davis. School records were set by Bob McGlaston in the 45 yard and 300 yard runs and by Jim Kreiser in the 300 yard run. Bob McGlaston also finished second in the state track meet in the 50 yard dash.

Last year's spring track team finished the season with a 5-2 record to gain a share in the Dual County title. The 1968 team competed on the new track and Coach Reis sees great possibilities in the team.

and Cross Country

Last fall the members of the Cross Country team were seen running along the streets of Westwood. Under the watchful eyes of Mr. Fischler the team competed against many Dual County teams. Although running is considered good exercise many of the team members found they were gaining weight instead of losing it.

Last year's golf team finished the season in first place with a record of nineteen and one and also qualifying for the State Tournament. The team's number one man was senior Ed Puzas.
